

KNYSNA YACHT CLUB

APRIL 2021

COMMODORES CORNER - MIKE JACOBS

Your Club has been soldiering on during all the Covid interruptions and it has been an extremely difficult time trying to generate income and not lay off Staff.

Our 12 Staff members support a total of 32 Dependents and laying them off was a last resort.

Presently, with alcohol allowed to be sold again turnover is slowly picking up and new menus are being generated to make both Lunch and Dinners more attractive and affordable. Please watch Social Media for all updates.

On the Sailing front, our Sailors have been enjoying great success in recent events and KYC is proud of them, as well as our Canoeists, Canoe Polo and for the first time in History, we have six Members representing Western Province and KYC in the South African Surf Boat Championships in Natal.

Due to Covid still lingering and the Club having to adhere to protocols there will not be a closing Cruise. KYC, however will be having a prize giving to honor all our sportsmen and woman in all disciplines. Watch the Media for further details.

Continue to be safe out there and come and support the Club, still the best venue in town.
