

KNYSNA YACHT CLUB

COMMODORE'S CORNER (Mike Jacobs)

Compliments_of_the_Season_to_everybody_and_may_we_all_have_a_very_prosperous_and_happy_2023

December arrived slowly and by the 15th the Holidaymakers arrived in force! KYC was very busy and by month end we hosted the swim event of the Splash Festival on the Friday with three distances, being 3000m, 1600m and a short 450m for the younger Kids and undertrained.

The event was a huge success with KYC remaining busy all day and through dinner time in the Evening.

Saturday the 31st and New Year's Eve was a continuation of Friday, busy, busy, busy. The Party rocked through till Midnight with all who attended welcoming in the New Year! Gary White kept the dance floor busy all night, was good fun.

People arrived with picnic baskets, others braai's and nearly a hundred Pizzas were sold from the kitchen between 7 and 9. Needless to say the Staff were exhausted and really enjoyed the next few days off with their Families.

Well, our new generator is up and running and KYC is able to operate normally in these trying times of 'load shedding'.

The Weather currently is sublime so do come down and enjoy the facilities KYC has to offer.

And the Quip for the Month.

I was at the Bar the other night and overheard three hefty Woman talking.

Their accent appeared Scottish, so I approached and said hello, are you three Lasses from Scotland?

One of them angrily screeched its Wales, Wales you idiot!

So, I apologised and replied, I am sorry, are you three Whales from Scotland?

And that's the last thing I remember!

Till next month

Mike Jacobs

Commodore

INSHORE SAILING

Wednesday Dinghy Dash is in full swing and so is our Saturday afternoon sailing.

A few pictures to make all the sailors who do not come and sail jealous 😊

A letter was emailed to all members pertaining the boat parking.
Boats that are not used will be moved. All sailors will get preference parking spots.

OFF-SHORE SAILING

Our sailors having fun

Saturday morning breakfast

Tough day at the office

ENQUIRY FROM MR ALISTAIR WOOD

I am in the process of restoring Ravensbury.
She was owned by Willo van Reenen, an ex-Commodore
of the Knysna Yacht Club.

She was also the committee boat for many years.
I would like to ask the members of the club for any
Information, and photographs, that they might have
of Ravensbury.

Please contact me
